Question Caudle On Cases

Fired Assistant Attorney General In Closed-Door Session Over Taxes

WASHINGTON (AP)—House investigators called T. Lamar Caudle into a closed-door session today to tell about his handling of tax cases before he was fired as an assistant attorney general last Nov. 16.

Caudle's name figured in two cases which came under the scrutiny of a House judiciary subcommittee last week.

The first was the alleged attempt to "whitewash" a grand jury investigation in St. Louis, which eventually led to the indictment and conviction of Internal Revenue Collector James P. Finnegan on charges of misconduct in office. Finnegan is appealing.

The second was a war frauds case against a Detroit man which languished without prosecution for six years and finally was dropped, "effebled by age."

Caudle was in charge of tax prosecutions for the Justice Department at the time both cases were pending.

May Be Called Again
Whether he will appear later at a public hearing depends largely, said Rep. Keating (R-N.Y.), on what develops at this afternoon's closed-door session. Keating is ranking minority member of the subcommittee.

Caudle, before leaving his home at Wa' sboro, N. C. last week end, said he would be "delighted to cooperate with the committee, as I have with other committees."

Federal Judge George H. Moore told the subcommittee in a statement last Thursday that the Justice Department, from former Atty. Gen. J. Howard McGrath on down, dragged its feet in the grand jury investigation of the St. Louis revenue office.

Moore said the department took no action to get a complete investigation going until he served notice he was going to order an inquiry himself.

Gave "Whitewash" Report
There was earlier testimony that, until Judge Moore intervened, the St. Louis grand jury did nothing but present a preliminary report which one juror called a "whitewash."

Ellis N. Slack, who was Caudle's assistant at the time and who now holds Caudle's job, denied suggestions that he had approved this preliminary report.

Caudle accompanied Slack to St. Louis when the grand jury was starting its inquiry.

Rep. Chelf (D-KY), chairman of the subcommittee, declared in a statement last week:

"It appears to me that there was a definite attempt to either flag down, delay, sidetrack, derail or entirely wreck this grand jury investigation."

The Detroit case involves an indictment returned early in 1944 charging Norman E. Miller, an industrial engineer and designer, with defrauding the government of \$14,000 in charges for work on government contracts.

Miller Case Dropped
After numerous delays, during which Miller changed lawyers several times, the case finally was dropped in October, 1950. The government lost four of its key witnesses during the six-year hiatus.

Caudle's name appeared on one of the letters read into the record last week. Replying to a letter from one of Miller's attorneys in August, 1945, Caudle suggested the defense lawyers be given "opportunity within reason" to present facts bearing on the truth or falsity of the charges in the indictment.

Smith Escapes Hay Fever
JEFFERSON CITY (AP)—Gov. Forrest Smith plans to take refuge from his hay fever in the cool mountain air of Colorado.

He told his news conference today he and Mrs. Smith plan to leave tomorrow evening by train for Colorado Springs. They will be gone about two weeks.

Fall Fell In
Fall arrived over the weekend, falling in on unsuspecting Missourians to cause them to labor to keep warm on Labor Day.

A cold rain, coming with a windstorm, blew cool breezes and left the area chilled to its coldest point since way back in April.

The chilling came after two hot days—Saturday and Sunday—had led us to believe summer had not let up.

It can be said August blew out cool and sloppy like half melted ice cream and that September arrived like a popsicle.

Warmer Tomorrow
Fair and cool tonight; Wednesday fair and warmer; low tonight 45-55; high Wednesday 70-85.

The temperature at 7 a. m. was 49; 70 at 1 p. m., and 72 at 2 p. m. Rainfall .35 inch.

Thought for Today
It is not hard to find the truth, what is hard, is not to run away from it once you have found it. — Etienne Gilson.

Traffic Accidents All Are Minor Ones—

Lightning Strikes House, Gives Only Labor Day Excitement Here

The Labor Day holiday and weekend passed without traffic injuries in the Sedalia area. Only one accident was reported in Sedalia, while on the highways the State Patrol worked four, all of a minor nature.

Thousands of motorists passed through Sedalia from Kansas City and other Missouri points headed to and from the Lake of the Ozarks region. Many Sedalians likewise spent the double holiday on the lake, others going to St. Louis to baseball games, which left activity in Sedalia practically nil.

The only Labor Day excitement experienced was during the electrical storm Monday morning when lightning struck the residence of Frank Smith, 323 East Saline, about 10:33 a.m. Damage to the house was estimated at more than \$750.

The lightning tore away the front porch and the bolt knocked a large hole in the front wall of the home. Although the damage was severe and the lightning played over the front of the residence, no fire resulted. Both fire

companies answered the alarm to the address.

Members of the Smith family were in the rear of the home and escaped injury, however, they suffered some shock and excitement over the "split second" activity.

The only accident reported to the Sedalia Police Department was at 2:10 p.m. Monday when two motor vehicles collided at Broadway and Ingram. A 1938 Chrysler sedan, driven by Harry Mayott, Topeka, Kan., and a 1940 International pickup truck, driven by Roy Thompson, 904 East Third, were slightly damaged.

Police investigated the accident. No arrests were made as the parties involved settled their differences at the scene.

The State Patrol reported a large steer was hit by a truck on Highway 52, about a mile west of the Windsor Junction of Highways 52 and 65. The steer had to be killed, but only slight damage resulted to the truck.

Several minor accidents, such as bent fenders, were investigated but no injuries were suffered by occupants of the cars.

Neitzert Home Near Smithton Also Struck

The home of Mr. and Mrs. E. W. Neitzert, eight miles southeast of Smithton, was struck by lightning at about 11:05 a. m. Monday. The bolt of fire which carried through the house burned all the clothing and damaged the furniture.

The kitchen was the room receiving the most damage as everything in it was destroyed and plaster was shaken from the ceiling. The screened-in porch, next to the kitchen, was also damaged near non-repair.

None was injured in the accident as Mrs. Neitzert had taken the children to the Ottaville school, where they were enrolling, and Mr. Neitzert and visitors, Mr. and Mrs. Donald Prall, 914 East Ninth, were outside at the time.

Windows were broken and the woodwork scorched. A light pole some 70 feet from the house was knocked down by the tremendous bolt of lightning. Mr. Neitzert said the home and everything in it was injured.

Truman Says Ike Risks War

'Talking Loosely About Liberating Enslaved People' Dangerous, He Says

ABOARD TRUMAN TRAIN, (AP)—President Truman openly accused the Eisenhower command today of increasing the risk of atomic war by "talking loosely about liberating the enslaved peoples of Eastern Europe."

He declared that John Foster Dulles and other "masterminds" playing "cruel, gutter politics with the lives of countless good men and women behind the iron curtain."

Truman declared at one point: "It is not an easy thing for me to see their respected candidate—who knows better—being used as a spokesman for selfish politicians who will say anything they think will help them to power."

Surely the Republican candidate must know the iron curtain and the Kremlin walls will not come tumbling down from a few blasts on a campaign trumpet."

Truman didn't mention Dulles by name in his foreign policy talk to a railroad station crowd at Parkersburg, Va., identifying him only as a Republican "who helped in the formulation of our foreign policy."

Truman then said: "Increase War Threat

"He knows what a precarious situation the world is in. He knows how easy it would be to start a war. But he is perfectly willing to have the Republican party, and the Republican candidate, say things that increase the risk of war, simply in order to get votes."

Dulles recently came out of a conference with Gen. Dwight D. Eisenhower, the GOP nominee, about the future liberation of peoples behind the iron curtain and the candidate himself voiced his aspirations in an American Legion speech.

The President gave every outward indication he is satisfied with Adlai Stevenson's campaign as he stepped into his whistle stop stump for the Democratic nominee.

"Millions upon millions of decent human beings are going through a dreadful agony and it is our duty to play a part in their liberation," he said.

He said that his administration is using all means "short of war" to help save the "grave of people behind the iron curtain," and added:

Other Assist Is Force
"There is no way to do more than this now without using force," he continued. "To try to liberate these enslaved people at this time might well mean turning these lands into atomic battlefields."

"Maybe the Republicans don't realize this, but the people who are on the spot in Europe know very well that talk of liberation under present circumstances is war talk. This is why these Republican statements have caused so much concern among our friends in Europe. After all, our Allies there have signed up for combined defense of freedom. They have not signed up to join in a crusade for war."

"Now, I am perfectly convinced—and I hope our Allies will understand—that the Republicans do not intend by what they say to pledge this country to a frightful atomic war in order to rip back the iron curtain by force."

"Yet, if they don't want war, why do they tell us they have a new and positive proposal to help people behind the iron curtain? If they don't mean war, what is it they mean? Do they mean to raise false hopes of this in Eastern Europe. Nothing could be worse than to incite uprisings that can only end by giving a new crop of victims to the Soviet executioners."

Calis Them 'Snollygosters'
Truman claimed that supporters of Taft—he did not mention the latter by name—were frustrated in trying to control the GOP convention. He called this group "Republican snollygosters."

The president said this group has threatened Eisenhower with "sabotage from within unless he will get out of the world and reckless ranting of men who don't care what happens to world peace if they can get elected." And he added "there have been some masterminds at hand, in the Republican councils, to show him how to be a hypocrite in a few easy lessons."

Margaret Says She Nor Mother Influenced Harry Not to Run

NEW YORK (AP)—Margaret Truman said today whether she nor her mother had anything to do with President Truman's decision not to run for reelection.

Asked as she returned aboard the liner United States from a two-months tour of 11 European countries about reports that she and her mother influenced the President's decision, Miss Truman replied:

"That's absolutely untrue. It was his decision, and his alone. We had nothing to do with it."

She was greeted by Mrs. Truman and then talked along with reporters.

Concerning Swedish newspaper criticism of U. S. Secret Service interference in policing her visit to Sweden, Miss Truman said: "I thought it was such a bad idea about nothing. It really didn't happen. There was no incident."

Concerning Swedish newspaper criticism of U. S. Secret Service interference in policing her visit to Sweden, Miss Truman said: "I thought it was such a bad idea about nothing. It really didn't happen. There was no incident."

Residents work feverishly to board-up this drug store at Savannah Beach, Ga., as early forecasts predicted the season's first hurricane would hit the area. (AP Wirephoto)

Plane Makes Forced Landing on Highway

SPRINGFIELD (AP)—A four-place Beechcraft Bonanza plane made a successful forced landing early today on a new portion of U. S. Highway 66, about 21 miles east of here.

The aircraft owned by Southern Missouri Air Service and flown by Kenneth Low, of Urbana, Mo., was forced down by engine trouble. Low was returning from a charter flight for the Springfield airline from Charleston, W. Va.

Thieves Enter Four Places Over Weekend

Five business establishments in Sedalia were visited by thieves from Saturday night until early Tuesday. Two service stations were entered, one tavern entered, a farm implement firm broken into, and an attempt was made to break into a cafe.

Early Tuesday the Harvey Bros. Implement Co., 305 West Main, reported the place had been broken into by thieves. Two cigarette lighters, a Brownie camera, a ring, and \$1.77 in change were stolen. Entrance was gained by taking out a rear window and crawling through the opening.

Police investigating the robbery decided on a suspect, an 11-year-old Negro boy, who had similar trouble before. The youth was taken to police headquarters where he readily admitted the robbery, but on "second thought" denied it. He now maintains he knows nothing of the incident.

The Phillips 66 station at Seventh and Ohio was broken into sometime between 5:30 and 6:30 p.m. Monday. A glass in the men's rest room was broken through, the entrance was gained. The desk drawers were ransacked and the thief obtained \$6 from a cash register. R. H. Rohrbach, manager, reported the robbery took place after he had been at the station between 4 and 5:30 p.m.

The Cities Service Station, Sixth and Lamine, was entered sometime Sunday or Monday, and the place ransacked. Entrance was gained by throwing a brick through a back window. John Smithers, manager of the station, is making a check to ascertain if anything was stolen.

Cunningham's Tavern, 820 North Montauk, was entered sometime after 1:30 a.m. Sunday by thieves who stole \$1.15 in change and half a case of beer. Thieves removed a screen from an east window to gain entrance.

An attempt was made to break into the Hildebrandt Cafe, 214 South Lamine. A screen door was ripped open and a glass in the rear door knocked out. Entrance to the place was not gained. Fred Hildebrandt, proprietor, reported the attempted robbery.

A civilian, Mrs. W. C. Connor, 44, was killed when her automobile was struck by a sign board blown down by the storm. Ten other civilians in the vicinity were reported hurt.

Capt. Burton Wilder, base public information officer, said several buildings suffered "severe damage" when the winds struck shortly before dark.

Maj. Gen. Samuel E. Anderson, commanding general of the Eighth Air Force, estimated damage to planes at the base at 25 per cent.

The "atom bomb" was the Air Force's best, longest-ranged bomber in service and was designed to carry 10,000 pounds of bombs on a 10,000-mile mission.

Also damaged was the 90-mile-per-hour winds struck the vicinity was the plant of Consolidated Vultee Aircraft Corp., which manufactures the huge six-engine intercontinental B36s.

Aircraft plant officials said power was disrupted and extensive damage done to service docks at which the big planes are serviced.

Wind blew the tail from one of the B-29 bombers and left it shattered in a ditch. Others were strewn about the ramps and taxiways of the base.

Philippines Brace For Another Typhoon

MANILA (AP)—The typhoon-torn Philippines tonight braced for another tropical blow as the known death toll from disastrous winds and floods last weekend rose to 121.

Delayed reports said 16 persons were believed drowned when a motorboat sank in a typhoon off northeast Luzon island Sunday.

Additional deaths were reported from the Amboano Peninsula in the southern Philippines. Heavy rains there inundated villages, sent crashing landslides over small villages and turned mountain streams into raging torrents.

Hurricane Rolling To Miami

May Not Hit Land At All, Latest Report Indicates; Moves 135 m.p.h.

MIAMI, Fla. (AP)—Packing winds up to 135 miles an hour, the season's second tropical hurricane roared northwestward today in the broad Atlantic about 1,100 miles east southeast of Miami.

Grady Norton, chief storm forecaster at the Miami weather bureau, said the severe tropical disturbance "should continue its present course for several days far away from any land areas."

"It may eventually swing more to the north and not hit land at all," Norton declared, adding:

"Of course, we can't be sure of that and are going to keep a very close watch on it all the time."

The 10 a. m. advisory reported Hurricane Baker 370 miles north-northeast of San Juan, Puerto Rico, near latitude 23.0 north and longitude 63.5 west.

"This is a severe hurricane and all ships in its course should exercise caution," the advisory said.

The hurricane was expected to increase in intensity. It was moving northwest at 12 miles an hour.

A Navy hurricane-hunting plane which probed the growing disturbance reported highest winds in the northern quadrant about 115 miles per hour, with gusts in squalls up to 135 miles an hour.

Winds of 75 miles per hour or more are classed as hurricane force.

The hurricane spawned in an easterly wave far out in the Atlantic.

It developed rapidly yesterday and by nightfall had grown into a full-fledged hurricane. Its position was about 200 miles southeast of where the first hurricane was spawned just a week earlier.

The Miami Weather Bureau said winds were about 90 miles per hour and "further increase is expected."

Meanwhile, the first hurricane which battered the South Carolina and North Carolina and Virginia coasts Saturday night before lashing with heavy rains, brought a flash flood to Elliott City, Md., on the outskirts of Baltimore.

More than four inches of rain turned Tiber Creek into a river that swept through stores and smashed automobiles, causing an estimated \$500,000 damage to the town. Heavy rains fell in Maryland, Delaware and Pennsylvania as the dying storm scurried northward.

A freak tornado, by-product of the hurricane, unroofed houses and caused minor damage in the Virginia area bordering Washington.

Carswell Base In Shambles After Storm

FT. WORTH, Tex. (AP)—Carswell Air Force Base was twisted wrecked today after a windstorm last night took a multimillion-dollar swipe at America's long-range aerial striking power.

One three-million-dollar B36 bomber was destroyed, six others received major damage and several others were damaged to an undetermined extent. Two airmen were slightly injured.

A civilian, Mrs. W. C. Connor, 44, was killed when her automobile was struck by a sign board blown down by the storm. Ten other civilians in the vicinity were reported hurt.

Capt. Burton Wilder, base public information officer, said several buildings suffered "severe damage" when the winds struck shortly before dark.

Maj. Gen. Samuel E. Anderson, commanding general of the Eighth Air Force, estimated damage to planes at the base at 25 per cent.

The "atom bomb" was the Air Force's best, longest-ranged bomber in service and was designed to carry 10,000 pounds of bombs on a 10,000-mile mission.

Also damaged was the 90-mile-per-hour winds struck the vicinity was the plant of Consolidated Vultee Aircraft Corp., which manufactures the huge six-engine intercontinental B36s.

Additional deaths were reported from the Amboano Peninsula in the southern Philippines. Heavy rains there inundated villages, sent crashing landslides over small villages and turned mountain streams into raging torrents.

Buena Vista Dormitory Contract Let

New Addition Will Have Beds for 16 Women Residents

The County Court Tuesday approved a bid for the Cramer and Schrader Construction Company to construct a new addition to the Buena Vista Home, which is located three miles north on the Georgetown Road.

The addition is to be a women's dormitory for the home and the bid which was accepted for construction amounting to \$6,643.12. The bid included all of the labor and materials.

The dormitory will be equipped to handle 16 beds and will be a modern structure with a propane automatic furnace and new electrical appliances.

The 50 by 24-foot building will be constructed with concrete blocks and will have white pine wall boards and door frames. The floor will have asphalt tile panels and the windows will be steel with glazed glass panes.

The color of the painting on the inside and out will be chosen by the court and both will be given double coats as specified by the court.

The addition is being built to accommodate any increase in the number of women residing at the home, as the present women's dormitory in the main building is filled to its capacity of 21. The addition will provide an attractive and cheerful surrounding for its occupants and will be made available to the home for use around Nov. 15.

441 Holiday Deaths, Fewer Than Year Ago

By The Associated Press

The Labor Day weekend took its customary high toll of lives this year, but it still was considerably less costly than the same three-day holiday a year ago.

Deaths from all accidental causes totaled 541, compared with 658 violent deaths last year. Traffic accidents, as usual, took the heaviest toll, killing 417. Drownings claimed another 55 lives and 69 persons perished in a variety of miscellaneous mishaps.

Ned H. Dearborn, president of the National Safety Council, said in a statement that this year's traffic toll represented a saving of more than 40 lives, compared with last year's record traffic death toll of 461.

"We wish the toll could have been lower, but we naturally are gratified that it was less than last year," Dearborn said. "The saving can be attributed, we believe, to greater realization by the driving public of the need for extra caution at this time, and to special traffic law enforcement efforts by state and local police all over the country."

Deaths by states (traffic, drownings and miscellaneous) included: Arkansas 9 3 6; Missouri 8 0 1.

Vs. Joplin and Springfield—

Sedalia C. of C. Accepts Challenge to Get Out the Vote

The Sedalia Chamber of Commerce has received a challenge from Frank W. Mueller, manager of the Joplin Chamber of Commerce, to compete with his Chamber of Commerce and the Springfield Chamber of Commerce in getting out the vote of members in the November election.

Chester A. Brown, executive manager of the Sedalia C. of C., lost no time in deciding that he would accept that challenge and believes he has a good chance of winning. Chet thinks that members of the Sedalia C. of C. believe in voting and will go to the polls almost 100 per cent in November, out with 100 per cent of their At least he hopes they are all the members voting?

Likes His Shoes Well Broken-In

LARNED, Kan. (AP)—An elderly man didn't like any of the shoes shown to him in a store here but as he was leaving he noticed those worn by another customer, Chester Crane.

He asked Crane to let him try them on. Crane consented.

The result: Crane walked out in a new pair of shoes paid for by the elderly man, and the latter walked out in Crane's slightly worn, comfortably broken-in shoes.

Adlai Starts Plan for New England Drive

Expect to Keep Up Hard Hitting Fight on T-H Law

SPRINGFIELD, Ill. (AP)—Gov. Adlai Stevenson began organizing today for a campaign drive in the New England states, where he is expected to advance his hard-hitting attack on the Taft-Hartley Act.

The Democratic presidential candidate told a Detroit audience yesterday the law is "biased and politically inspired," and should be replaced with brand new labor legislation.

An aide said today he plans now to go to New England, Sept. 10, and spend at least four days campaigning in the major industrial centers there. He is slated then to make a second appearance in New York, addressing the American Federation of Labor convention.

Stevenson heard reports today of his Labor Day sweep through the Detroit area.

Mrs. Edd Strebby Celebrates Birthday

Mrs. Edd Strebby, Clarksburg, who celebrated her birthday Wednesday was honored with a dinner given by her Sunday School Class. A bountiful dinner was served at noon.

The following class members and friends were present: Mr. and Mrs. W. G. Pennington, Mrs. Mae Winebrenner, Mrs. Margaret Hurt, Miss Myrtle Sappington, Miss Seythia Cantion, Mrs. Flora Powell, Miss Anna Elliott, Mr. and Mrs. Roy Milligan, Mrs. Earl Keller, Mrs. Dallas Winebrenner, Mrs. Mack Yarnell, Mrs. Harry Clutter, Miss Margaret Steele, Mrs. B. Minster, Mrs. Fred Hodges, Mrs. Anna Baker, Carolyn, Dora Jean, Virginia and Louis Hodge, Joan Medlin, Mrs. Hilton Douglas and Mrs. Strebby.

She received many gifts and cards.

Their son, J. E. Strebby, Sedalia, was unable to be present for the dinner at noon but visited his parents that evening.

Social Calendar

POSTPONED
The American Legion Auxiliary will meet Sept. 15 instead of the regular meeting day due to Labor Day.

WEDNESDAY
The Young Married Ladies of St. Paul Lutheran Church will meet at 2 p.m. at the church. Mrs. Dwight Bergquist and Mrs. Gay Jaeger will be hostesses.

Georgetown Methodist WSCS will meet at 2 p.m. at the church.

THURSDAY
Dorcas Circle of East Broadway Christian Church will meet all day at the home of Mrs. Edgar Luck, 1509 South Ingram. Pot luck dinner to be served at noon.

Ladies Aid of the St. Paul's Lutheran Church will meet at 2 p.m. in the Sunday School room. Mrs. Leonard Miller and Mrs. Arthur Zoch will be hostesses.

WSCS of the Fifth Street Methodist church will meet at 10 a.m. The prayer circle at 10 a.m. The program leader is Mrs. Porter Duffett. Luncheon at noon served by Mrs. W. B. Walkup and her committee.

Women's Association of the Broadway Presbyterian Church will hold its regular monthly meeting starting with a covered dish luncheon promptly at 12:30 p.m. Group 1, Mrs. D. W. Heckart, chairman, will have charge of the luncheon. Members will please bring sandwiches and a covered dish. The devotion will be given by Mrs. J. E. Cannaday. A film will be shown entitled "Beginning With Me."

Goodwill Chapel Methodist WSCS will convene at the home of Mrs. George Stevens at 11 a.m. Mrs. Charles Dowdy will be the assistant hostess. The first chapter of "Toward Understanding the Bible" will be reviewed before dinner.

Delta Phi Chapter of Beta Sigma Phi will hold a called meeting at 9:30 a.m. at the home of Mrs. L. P. Belt, 1425 South Sneed.

FRIDAY
Past Noble Grand Club will meet at the home of Mrs. Forrest Hood, 615 West Second. A contributive luncheon will be served at noon.

Cordell Hull Still On Critical List At Naval Hospital

WASHINGTON (AP)—Cordell Hull remained on the critical list today at the Bethesda (Md.) Naval hospital. Officials said he spent a good night and that his condition was listed as unchanged.

The 80-year-old former secretary of state entered the hospital in the Washington suburbs Friday for treatment of cerebral thrombosis.

There was a false alarm yesterday that Hull had died. President Truman received a report, presumably from the White House, that the elder statesman who served in President Roosevelt's cabinet for three terms had died.

The president, traveling on a campaign train enroute to Milwaukee, got out a statement in Chicago saying "The people of the United States join with me in mourning the passing of one of this country's greatest statesmen."

Not long afterwards, however, it developed that the report of Hull's death had been in error.

The president put out a second statement at Milwaukee in which he said: "I am most pleased to learn that I was falsely informed that Cordell Hull had passed away."

Garden Clubs Of West Central Region Hold Meeting and Luncheon at Otterville

The West Central Region of the Missouri Federation of Garden Clubs met Thursday at Otterville with Mrs. M. F. Clyde, director of the West Central Region, presiding. Eleven counties are included in the region, Jackson, Lafayette, Saline, Cass, Johnson, Bates, Henry, Benton, St. Clair, Hickory and Pettis with a total of 34 garden clubs.

The meeting was held at the Otterville High School with registration starting at 9 a.m. The first general session was at 10 a.m. in the school auditorium.

Hannibal Newsman, Former Commander Of Legion, Is Dead

HANNIBAL (AP)—John G. Jeffries, 57, city editor of the Courier-Post and former commander of the American Legion's Missouri Department, died Monday at a Hannibal hospital.

Jeffries had suffered a stroke Friday morning.

A navy veteran of World War I, he was the son of the late J. B. Jeffries, publisher of the paper until his death in 1933.

Jeffries, city editor for 19 years, was president of the Hannibal Chamber of Commerce, president of the board of trustees of Hannibal-LaGrange College and a forerunner.

He is survived by his widow, Gertrude, and a brother, Frank, member of the staff of the Denver Post.

Otterville Riders Plan Rodeo and Show

The Otterville Boots and Saddle Club members met at the club room Friday evening. Harold Walker, Sedalia, was a guest and showed movies of the saddle clubs in the rodeo parade.

At the business meeting plans were perfected for the club's rodeo and show to be held Sept. 21. Refreshments were served.

Lietzkes Have Guests

F. C. and Mrs. Charles E. Bennett, Ft. Campbell, Ky., visited his grandparents Mr. and Mrs. F. C. Lietzke, 1805 W. 18th, over the weekend. H. D. Potter, Washington, D. C., was also a guest in the home.

The Hague Convention of 1929 was a revision of the Hague Convention of 1899 dealing with prisoners of war.

for everyone, for those who grow flowers, those who arrange and exhibit flowers and for those who wish to qualify for accredited flower show judges. By taking five courses, passing the examinations and judging ten shows in three years, garden club members may receive the certificate of national accredited flower show judges.

Mrs. Frank Wilson, historian, gave a report and showed the scrapbook she is compiling.

Mrs. Herbert Seifert, Roadsides and Blue Star Memorial chairman, reported that there are three Blue Star Memorial Parks in this region, Bradford, Sedalia; Brownfield at Otterville, and Griffith, Highway 40, Saline County. Four other parks have been developed.

Mrs. Seifert said, in the past year in the region: Hudson Roadsides Park near Appleton City; Buckland Roadsides Park near Waverly, and Round Valley in Cass County, and Hickory Park near Wheatland, Hickory County. Each club was asked to assist in keeping our parks and roadsides clean.

Mrs. Oscar DeWolf, chairman of the "Plant Missouri" project, reported that 1,340 trees, 2,210 shrubs, 212 roses, 158 lilies, 182 walnut trees had been planted by garden club members.

Mrs. Frank S. Leach, chairman of the past history of the clubs in the region, reported on the progress of the history she is compiling of the clubs in the region.

A luncheon was served at noon. Arrangements of flowers from the gardens of members were used on the tables and favors were dainty wrist corsages, small salt shakers, blocks of salt, plastic letter openers and hand painted place cards.

The meal was prepared and

served by the members of the Otterville Garden Club to 160 guests.

Following the luncheon a program of music, readings and dance numbers was given by talented young people of Otterville under the direction of Mrs. Lewis Leaton and Mrs. Broadbush.

James Keefe, with the conservation department of the University of Missouri, Columbia, gave an interesting talk on "Conservation Ethics." He said, "Conservation is a state of harmony between man and nature." He went on to say we are basing conservation upon what is economically expedient and this is wrong. We cannot put the dollar sign upon the beauties of nature, he said.

The living soil and all its products should be preserved. A memorial service in memory of garden club members who have died this year was presented.

Using four white candles representing the growth of a garden club program, a pretty service was arranged and presented by Mrs. J. E. Golladay.

The following awards were announced near the close of the afternoon session:

Scrapbooks—first, Otterville; second, Green Ridge; third, Garden Club 3, Sedalia; honorable mention, Malta Bend, Mrs. R. O. Smith, Sedalia, Mrs. Sipple, Kansas City, and Mrs. Stella Berry of Knob Noster were judges.

In yearbooks, small clubs—first,

Warsaw; second, Marshall, Club 5, Sedalia.

Yearbooks, larger clubs—first, Kansas City; second, Sedalia. Club reports, small clubs—first, Malta Bend; second, Sedalia.

Yearbook, juniors—first, Malta Bend. Written reports, junior—first, Warrensburg; second, Marshall. Flower arrangement requested from each club, judged as follows—first, Green Ridge; second, Clinton; third, Sedalia Club 5, and fourth, Otterville.

The members of the Otterville club, of which Mrs. D. B. Mayfield is president, were complimented by members of the district for the well planned meeting and luncheon.

Five Killed As Labor Day Storms Strike

By The Associated Press

Severe wind and rain storms lashed wide areas of the Eastern and Southern areas over Labor Day causing millions of dollars damage to property, including several B36 bombers at Carswell Air Force Base in Ft. Worth, Tex.

At least five persons were killed in the storms.

Winds of 90 mile an hour velocity struck near the Carswell base, destroying one three-million-dollar B36 bomber, causing major damage to six others and lesser damage to several others. Several buildings suffered "severe damage."

One woman, a civilian, was killed by the storm in Ft. Worth. In Michigan two persons were killed by lightning as thunderstorms struck the state and two others were reported missing and presumed drowned in Saginaw Bay after their boat capsized.

Damage estimated at \$500,000 resulted from a flash flood which struck the small town of Elliott City, outside Baltimore. The town's main street was littered with broken store fronts, wrecked automobiles and water-logged merchandise as Tiber Creek raged through the business and residential sections. Several persons were forced to flee from their homes.

Heavy damage was reported yesterday in areas around Baltimore, Washington, and parts of Pennsylvania, New Jersey and New York, all hit by the tail end of the season's first hurricane. The hurricane earlier had battered the Carolina Coast.

A new tropical hurricane whirled up in the Atlantic today about 400 miles northeast of Puerto Rico and 1,300 miles east southeast of the Florida Coast. There appeared no immediate threat to any land area.

Rain fell early today over most of the New England states. There also were showers and thunderstorms in the middle Mississippi and Ohio valleys and the Southeastern Great Lakes region. Fair to partly cloudy weather was reported in other areas.

It was cool over most of the Rocky Mountain states eastward to the plains states, the upper and middle Mississippi Valley and the upper Great Lakes region. Warm and humid weather continued over most of the middle and South Atlantic and East Gulf states westward into Southern Texas.

OBITUARIES

Miss Flora Kuhn Services

Funeral services for Miss Flora Kuhn, many years a popular instructor in violin in Sedalia, who died Saturday, were held at the Gillespie Funeral Home at 2 p.m. Tuesday, the Rev. D. Warren Neal, pastor of the Broadway Presbyterian Church, officiating.

Mrs. Henry C. Salvester and Mrs. H. C. Johnson sang "Going Down the Valley" and "No Night There." Miss Lillian Fox was accompanist.

Pallbearers were Ralph Boies, Lewis Stewart, J. L. Van Wagner, Clyde Heynen, Carson Meredith and Henry C. Salvester.

Burial was in Crown Hill Cemetery.

Miss Kuhn was a daughter of a pioneer Sedalia couple, Peter and Christina Landmann Kuhn, and was born here.

She attended Sedalia schools and studied violin at the Chicago Musical College. She was one of the Kuhn Sisters Orchestra, formerly a member of the Helen G. Steele Music Club and a lifelong member of the Broadway Presbyterian Church, being active in Sunday school and church work until declining health prevented.

Surviving her are: two sisters, Miss Ella Kuhn of the home, 1209 South Osage, and Mrs. C. T. Robinson, Wichita, Kan.; a brother, Karl Kuhn, Nevada; two nieces, Mrs. Hal Bolan, Wichita, and Mrs. Marilyn Lawless, Denver, Colo., and a nephew, "Bob" Kuhn, Cheyenne, Wyo.

Charles Lee Lyons

Charles Lee Lyons, 82, former assistant night traffic manager in Kansas City for the Missouri-Kansas-Texas railroad, died Friday in Emmett, Idaho, where he had been visiting three months.

Mr. Lyons was an employee of the Katy railroad more than half a century before he retired in 1940. He started as a call boy at the old Katy headquarters in Sedalia, and was the ranking traffic officer of the company at Kansas City the last 18 years of his service.

After he retired, Mr. Lyons turned to farming. He formerly owned a farm north of Plattsburg and two prairie ranches in Idaho, but he disposed of his holding in 1946. Mr. Lyons was born in Medford, Ind., and had made his home with a daughter, Mrs. John H. Berkshire, 11, 619 West Sixty-seventh street terrace, since his retirement. He was a member of the Kansas City Club, the Blue Hills club and the Traffic club.

Also surviving as a son, Charles Lee Lyons Jr., Fresno, Calif. The body was taken to Kansas City to the Stine and McClure Chapel, arriving there Sunday. Services were held at 2 p. m. Tuesday at the graveside in Sedalia.

Frank E. Shoemaker

Frank E. Shoemaker, 67, former Sedalia, died at Austin, Tex., Sunday night. He had been residing in Austin for the past two years, and had been ill for several months.

Mr. Shoemaker was born at Pilot Grove Jan. 16, 1866, son of the late James and Louella White Shoemaker. He lived most of his life in Pettis County and Sedalia, where he was engaged in painting and paperhanging.

He was married in Sedalia, Sept. 1, 1911, to Miss Ona Mae Thompson. They were the parents of five children, two of whom are deceased, Eloise Shoemaker, who died in infancy, and Willard Shoemaker, who died here Dec. 27, 1930.

Mr. Shoemaker is survived by his wife, Mrs. Ona Mae Shoemaker; two sons, James D. Shoemaker and Gayland Shoemaker, Detroit, Mich.; one daughter, Mrs. James Alvey, Austin, Tex.; three brothers, Will Shoemaker, Topeka, Kan., Lloyd and Melvin Shoemaker, Sedalia; four sisters, Mrs. Leona Golder, Mrs. Lydia Golder, Mrs. Edna Alice Scammon, Sedalia, and Mrs. Maebel Brice, Alberta, Canada; and four grandchildren.

The body will be brought to Sedalia and taken to the Ewing Funeral Home. Funeral arrangements will not be completed until after arrival of Mrs. Shoemaker from Austin.

Mrs. W. E. Davis

Mrs. Pernia Adair Davis, 73, widow of the late W. E. Davis, died at her home, 504 West 14th, Kansas City, S. day night. She had been in poor health for several years.

Mrs. Davis was born near Fortuna Sept. 6, 1878, where she lived with her parents for several years before moving to Texas. She was married to W. E. Davis in Texas and they moved back to 26th and their home, residing there for about 2 years.

1916 Mr. and Mrs. Davis and family moved to Sedalia and resided here until 1921 when they moved to Kansas City where the family has since resided. Mrs. Davis died at 7, 1936.

Surviving are: a son and two sons: Mrs. Fred Bird, route 2, Lincoln, at Bird's Paradise resort; Mrs. Opal Groupe, Mrs. Coy Jones, Mrs. Bob "Jack" all of Kansas City; also, J. M. riott.

DAILY RECORD

Births

Son to Mr. and Mrs. R. E. "Bud" Martin Jr., Seattle, Wash., at 130 a.m. Aug. 31. Mr. Martin is the son of Mr. and Mrs. R. E. Martin, 2101 East 12th.

The son born Aug. 19 to Mr. and Mrs. Earl Haskett, Sweet Springs, has been named Gary Wayne. He weighed seven pounds and seven ounces.

The son born Aug. 9 to S. Sgt. and Mrs. John W. Higgins has been named John William II. S. Sgt. Higgins is stationed at Fort Austin Air Force Base, Mich. They are former Sweet Springs residents.

Son to Mr. and Mrs. Clarence Biye, St. Joseph, at Bothwell Hospital, Aug. 31. Weight, five pounds, four ounces.

Dismissed: Mrs. W. A. McVey, 1607 East Broadway; Mrs. Norton Heffernan and son, route 5; Miss Laura Post, Pattonville; Mrs. Sherman Howard and infant daughter, Green Ridge; Jim Woodsmall, 1703 South Harrison; Larry Dunnaway, 1626 South Huntington, Pomona, Calif.; Mrs. J. W. Holland, La Monte; Mrs. John Kenney, 320 West Tenth; Mrs. Kenneth Leslie and infant daughter, 904 South Quincy; Mrs. Grover Cornett, Stover; Mrs. Ralph Haggerty, Pattonville; Mrs. Gray, 1004 South Kentucky; Mrs. Loren Dittmer and infant daughter, Sweet Springs; Mrs. Arthur McCune, 1302 East Sixth; Mrs. Wesley Lower, Star route, Sedalia.

WOODLAND—Admitted for medical: Mrs. Hazel Knowles, treated and dismissed; Mrs. Victor Stohr, 518 North Quincy.

Minor surgery: Duane Beckie, 1220 West Main; Mrs. M. Cooper, Lincoln.

Accident: Mrs. W. D. Agee, 413 West Fourth.

In Other Hospitals

Leonard Wayne Rosenhan, 6-year-old son of Mr. and Mrs. Lester Rosenhan, 1620 South Brown, Sedalia, has been dismissed from The Children's Mercy Hospital, Kansas City, after having treatment since July 2.

Marriage Licenses

Issued to: Jerome Thomas Jones, 604 West Cooper and Novella Bohannon Geter, 600 West Cooper.

Fires in the City

Damage of about \$35 resulted to the 1946 Plymouth sedan of Carl Arnett, route 2, Green Ridge, when it caught fire while parked in front of the Woodland Hospital, Fourth and Montauk, about 8:28 p.m. Monday.

Short in electric wiring in a gasoline pump at the Skelly Service Station, Fifth and Osage, caused a run by the fire companies at 6:40 p.m. Sunday. Damage was slight. The station is managed by Jim Green.

Burning trash set fire to a shed at the residence of Olive Burton, 1842 South Beacon, about 10:05 a.m.

Albuquerque, N. M.; Earl and Dan Day, both of Kansas City; three children and three great and grandchildren.

Funeral services are to be held Thursday in Kansas City.

Pvt. Kenneth O. Webb

Funeral services were held Monday afternoon at Prairie Grove Baptist Church, near Tipton, for Pvt. Kenneth O. Webb, 21, who was killed in action in Korea July 6, 1952. He was with Company C, 7th Regiment, 3rd Infantry Division.

The body reached Tipton Saturday.

Thirty soldiers from Ft. Leonard Wood had charge of the military funeral.

Pvt. Webb is survived by his parents, Mr. and Mrs. Jess Webb of Tipton; two sisters and four brothers, Mrs. Mary Patton and George Webb, of the home, and Mrs. Jessie Johnson, William, Walter and Cedric Webb, all of Kansas City.

Burial was in Tipton.

A brother, Eugene, lost his life accidentally while swimming at Leyte Island, Oct. 19, 1945.

John Bolte

Funeral services for John Bolte, who died at his home in Smithton Wednesday, were held at 2:30 p.m. Friday at the Neumeier Funeral Home with the Rev. M. E. Williamson officiating.

Music was furnished by members of the church choir. Mrs. J. S. Daniels, Mrs. S. C. Kahrs, Mrs. Floyd Schlusing and Miss Mildred Blum, accompanied by Miss Laura Kruse, sang "Abide With Me" and "Whispering Hope."

Pallbearers were Lloyd and Olen Monsees, Floyd Schlusing, S. C. Kahrs, George Griffin and Walter May.

Burial was in the Smithton cemetery.

Grand Champion Ham to Adlai From State Fair

Missouri's grand champion ham from the State Fair was presented Tuesday to Gov. Adlai Stevenson of Illinois, the Democratic presidential candidate, by a group of Missouri Democrats headed by Lt. Gov. James T. Blair Jr. and E. L. Preston of the Liberty Tribune. The presentation took place at the Illinois state capitol.

The ham, entered in the Missouri country ham competition at the Missouri State Fair last August by Pugh Aleweil, Concordia, was a blue ribbon winner and picked the Missouri champion ham, for which Mr. Aleweil received the Senator Thomas C. Hennings Jr. challenge trophy.

It was sold at the annual Missouri Ham Breakfast at the fair grounds for \$11 per pound, or a total of \$220 for the 20 pounds of Missouri cured pork. E. L. Preston bid the ham in at the top price for thirty Missouri Democrats, including Gov. Forrest Smith and the committee making the presentation.

The committee included Stuart Symington, candidate for the Democratic ticket for United States senator, Lt. Gov. Blair, Mr. Preston and several other Missouri Democrats.

Arrangements for the presentation were made by Lt. Gov. Blair and Mr. Preston. The committee motored to Springfield early Tuesday.

With the ham, the Missourians gave Stevenson a recipe for "the color's ham," originated by Mrs. Victor N. Remley of Liberty. Here it is:

Place ham on rack in oven at 275 degrees, adding two cups of water. After it is partially tender, baste with full strength grape juice at 15 minute intervals. When it is completely tender, remove from oven, skin and scrape off excess fat.

Spread the skinned surface with a paste made of one cup of brown sugar, one tablespoon of flour and 1 1/2 tablespoons of mustard mixed with enough coffee (strong brew) to make a paste.

Dot with crescent slices of peaches, either fresh or canned, maraschino cherries and orange halves, then return to the oven to glaze.

Mrs. Remley says the coffee adds greatly to the flavor of country cured ham.

p.m. Sunday. Slight damage resulted. Both fire companies answered the alarm.

Accidents

Mrs. W. D. Agee, 413 West Fourth, Sunday morning received a severe back injury when the Chevrolet coach in which she was riding with her husband left the slab on a curve on highway 86, four miles east of Neosho. When ditched, the car swung, swayed and bounced and, after hitting several rocks, was shunted back to the slab and did not overturn.

In a sudden stop, Mrs. Agee was thrown from the seat and into a cramped position between it and the dash, causing her injury. The car was not badly damaged and she was rushed in to the Sale Memorial Hospital where emergency treatment was given.

Later she was brought in the Ewing ambulance to Woodland Hospital where x-rays pictures revealed no fracture of the vertebrae.

Police Court

Ollie Webb, Olean, charged with carrying concealed weapons, failed to appear in police court Tuesday and his \$25 cash bond was ordered forfeited by Judge R. L. Weinrich.

Mrs. Dale Bredwell, 201 South Missouri, charged with improper parking, failed to appear in court and her \$2 cash bond was forfeited.

Thomas Richard Smith, La Monte, forfeited a \$35 cash bond on a charge of careless driving and a charge of speeding from 16th and Grand to 28th and Grand.

Bob Bowlin, 1622 East Fifth, forfeited a \$10 cash bond on a charge of speeding. He was arrested in the 100 block on West Main.

Four overtime parkers failed to appear in court and their cash bonds of \$1 each were ordered forfeited.

Police Reports

Police were called to 1021 South Harrison where residents thought someone was in the house. Police made an investigation and found no intruders.

Richard Sharp, 504 East Second, reported to the police that he lost his billfold between 16th and 26th on Ingram Sunday night. He reported it contained \$5 in money and some personal papers.

Police were requested to contact Paul E. Hines, Sedan, Kas. and have him call his wife at Parsons, Kas. The man was reported working at the Pittsburgh Corning glass plant in Sedalia.

Police, patrolling about town, found a woman's black suede pump for the right foot. The shoe was found in the 100 block on West Main. The owner can obtain same by calling at police headquarters.

Blast in Fairfax Area Hurts Workman

KANSAS CITY, Kas. (AP)—An explosion in a cold storage plant in the Fairfax industrial district here early today seriously injured a workman and damaged four offices.

The explosion in the Federal Cold Storage plant seriously injured Paul Burch Jr., 41 Burch was blown outside by the blast and suffered burns plus head and body injuries.

Firemen said the explosion apparently occurred when Burch tried to light an overhead gas heater.

Dick Snow Heads Men's Choral Club For New Season

Dick Snow was elected president of the Sedalia Men's Choral Club at a picnic meeting held Sunday afternoon at the Monserrat State Park. Other officers elected were: O. W. Wiley, vice president and William Ward, secretary-treasurer. Snow succeeds Ad Taylor.

The picnic dinner was prepared and served by George Lockett, the chairman of the committee, Dick Snow and Ad Taylor.

Attending were a large number of the members of the club and their families.

The first meeting to start the new season will be held Tuesday night at which time committees will be appointed.

Seventh Anniversary Of Jap Surrender; Another Day In Japan

TOKYO (AP)—It was just another day in Japan Tuesday—this seventh anniversary of the signing of the Japanese surrender documents.

It was the first anniversary Japan has observed as an independent nation, but it passed with little notice.

Leading Japanese newspapers did not even mention the anniversary.

Aside from a wrecked, desolated spot in Hiroshima where the first atomic bomb fell and which is preserved as a memorial, few war scars remain evident in this busy country.

Springfield Wins State Softball Championship Game

SPRINGFIELD (AP)—The Springfield Tastemakers swept unbeaten through the 4-day Men's State Softball Tournament to claim the championship Monday.

The Tastemakers defeated St. Joseph Swafford Motors 5-3 in the finals, after downing Cabool 5-2 earlier in the day.

The Swaffords already had played three games during the day before facing Tastemakers in the big one, and two of those games went extra innings. Swaffords reached the finals through the losers' bracket by edging Mexico 1-0 in 14 innings; defeating the defending champion Springfield Coca-Cola 2-1 in eight innings, and beating Cabool 6-1.

Coal Miners Back To Work Following Memorial Holiday

PITTSBURGH (AP)—Coal miners across the nation revived their giant industry today with 475,000 diggers ending another United Mine Worker memorial holiday.

The 10-day memorial period called by UMW President John L. Lewis to honor miners killed or injured in mine tragedies, ended last midnight. The shutdown began Aug. 23.

The mine closings whittled the nation's pile of stored coal from an 84-day supply to about 74 days at a time when Lewis is negotiating a new contract with coal operators. Nine million tons of coal went to the market during the holiday. The current coal stockpile will not mark Lewis' bargaining position. The lower coal tract gives Lewis the right to call 225 lb. weights scarce, 21 lb. heavier weights scarce, 20 lb. lighter weights scarce; few lots choice 150-180 lb. 18-20-20; most sows under 350 lb. 17-17-15; few under 300 lb. to 17-15; 350-400 lb. 16-50-18; 400-500 lb. 15-50-17; heavier weights downward to 14-50 and below; good clearance.

18,000; calves 400; slaughter steers and yearlings grading average; choice and ables and prime heifers active, steady to 25 higher; others steers and heifers mostly steady; cows and bulls steady; vealers scarce, steady to 1.00 higher; bulk choice and prime steers and yearlings 31-75-35.00; scattered loads prime 35-25-35.00; most good to low - choice steers 28-30-31; choice and prime heifers mainly 31-50-40; load prime around 1,000 lb 35-50; commercial heifers down to 23-20-24; utility and commercial cows mostly 17-50; 21-00; canners and cutters 14-50; 17-50; utility and commercial bulls mostly 23-20-25.00; commercial to prime vealers 26-30-34.00.

Sheep 2-50; no native lambs sold; bidding weak to 50 lower or 28-30 down two decks and 19 choice shorn lambs and yearlings about steady at 25-50-50; bulk shorn lambs and yearlings unsold; nothing done on slaughter ewes; all bidding weak to lower.

Angus Tops Beef Cattle Show at Fair

Angus was the top show of the 1952 Missouri State Fair beef exhibit with 157 head. The classes were all of good size and Kenith Litton, Round Hill, Va., judge remarked that high quality animals went clear to the bottom in most classes. Penny & James, Hamilton, dominated the championships. The show was held on Thursday after some delay due to a tragic storm during the early morning hours which stopped most activities at the Sedalia exposition. The ring had fewer spectators as most visitors were turned away at the gates and some breeders failed to get in.

Two-year-old bulls calved between May 1, 1949 and April 30, 1950

1-3. Penny & James, Hamilton; 2. F. M. Bradley & Sons, Avon, Ill.; 4. Mil-Jon Angus Farm.

Senior Yearling bulls calved between May 1 and December 31, 1951

1. F. M. Bradley & Sons; 2-3. Penny & James; 4. Rose & McCrea, Albany & Mayville; 5. Meier Angus Farms, Jackson; 6. R. H. Rohlfing, Fayette; 7. Duffy & Baugher, Trenton; 8. Dan D. Devine, Allenton.

Junior Yearling bulls calved between January 1 and April 30, 1951

1. F. M. Bradley & Sons, Avon, Ill.; 2-5. Penny & James; 3. Roy W. Longstreet, High Point; 4. Rose & McCrea; 6. Triple A Ranch, Jonesburg; 7. S. E. Fifield, Olathe, Kan.

Summer Yearling bulls calved between May 1 and August 31, 1951

1. S. E. Fifield, Olathe, Kan.; 2. Meier Angus Farm, Jackson; 3. Penny & James; 4-7. Triple A Ranch; 5. Meier Angus Farm; 6. Red Oak Farm, Rocky Comfort; 8. George L. McCrea & McCrea.

Senior bull calves, calved between September 1 and December 31, 1951

1-2. Penny & James; 3. S. E. Fifield; 4. F. M. Bradley & Sons; 5-9. Triple A Ranch; 6. S. E. Fifield; 7. Duffy & Baugher, Trenton; 8. Red Oak Farms, Rocky Comfort.

Junior bull calves calved after January 1, 1952

1. Red Oak Farm; 2. F. M. Bradley & Sons; 3. Angus Farm, Jackson; 4. Baugher, Trenton; 5. Meier Angus Farm.

Balanced Farming Notes—

C. L. Scotts Are Seeding 24 Acres of Improved Pasture

By Merle Vaughan
I spent a pleasant afternoon recently with Mr. and Mrs. C. L. Scott of LaMonte assisting them in working out a crop rotation and pasture system to best handle their dairy herd. Actually the rotation was worked out this spring when they first joined the association and the thing we were doing recently was making a shift in fields because of conditions brought on by drought.

The Scotts are seeding 24 acres of improved pasture this fall and I expect it is already in the ground when I am writing this. One 12 acre field was old pasture and stays quite wet because there is considerable drainage thru it.

That field will be seeded to fescue, ladino clover, alsike clover and timothy because both the fescue and alsike do quite well even on wet ground. The other field is well drained and terraced and will go to orchard grass plus the ladino and timothy. Red clover may be used instead of the alsike here.

Stake Trench Silo
The telephone rang at the office the other day and the caller was E. A. Schnakenberg of Spring Fork who asked for help in locating a trench silo. As it happened I had some free time the next afternoon and an appointment was made.

Mr. Schnakenberg and his partner Melvin Dieckmann had attended the recent silo meeting and became interested in the trench silo that they planned by putting corn in one planter box and sorgho in the other. It looks like it will make a lot of feed.

As we looked at this field Melvin was telling about the cornfield just below it. The rows were short so it took about 22 to make an acre. They had counted the good ears on quite a few rows and found them averaging over 400 per row. If the ears are of average size of about half a pound they would total nearly 3 bushels per row and 60 bushels per acre.

Ginns Remodel Home
When I stopped by the O. O. Ginn farm home southeast of Knob Noster a few days ago I found them busy with some remodeling that Miss Everett and I had helped them plan only a few weeks ago.

Work already completed included changing a stairway from the center of the house to the side of a downstairs bedroom, taking out

one wall of the former stairs to make a larger living room, tearing out two old flues and rebuilding one of them, rebuilding the front porch and putting a porch above to serve the second floor and changing several doors and windows.

Mrs. Ginn was telling me that they had recently talked with someone who knew what the material and labor bills had been on the house when it was built 50 years ago. I believe the carpenter bill was only \$80.00. Anyway it was terribly low considering present prices.

Terrace Outlet at Harlan
Sam Harlan has a new terrace outlet on his farm on the Green Ridge road just west of Ted Mergen. Arnold Fischer did the work. Sam has also had considerable lime and rock phosphate spread on the farm recently and has had a carpenter repairing the farm buildings.

Mr. Mergen is operating the farm for Harlan.

Weller to Seed Pasture
Mr. W. H. Weller of Green Ridge asked my help in staking contour lines on 15 acres for improved pasture. This field adjoined one that had been seeded in a previous year to fescue, timothy and ladino. The stock had not kept the fescue down and some of the seed stalks were standing. With the recent rains the new growth was also starting out.

Fescue and orchard grass are bunch grasses. They do not spread from the root like brome grass but each plant gets larger from year to year. In a few years what had appeared to be a thin stand may be quite dense. I think this will be true at Weller's in another year or two.

Schanz Prepares Pasture
I also helped Harold Schanz of Hughesville in staking three contour lines on a small field he recently cleared from timber and plans to seed to permanent pasture. I was quite interested, too, in the soil tests on this apparently virgin plot. Its organic matter was four percent, it showed a reading of 126 on phosphate, and 320 on potash and the lime need was low, about two tons.

Letter Carriers
Want More Than One Delivery Daily

NEW YORK (AP) — The National Association of Letter Carriers wants Congress to order restoration of more than one-a-day residential mail deliveries.

The AFL union, in a resolution the opening session of its 38th biennial convention, also rapped Postmaster General Jesse M. Donaldson in a speech just before the union adopted the resolution.

"Regardless of whether the Democrats or Republicans win, there is bound to be a change for the better for the postal service," Doherty said. "We are convinced that the answer to the problem of what is wrong is that we need a new postmaster general."

The resolution on mail deliveries asked Congress to act because "the career postmaster general has done nothing to end the vicious results of his infamous curtailment order" of April 17, 1950.

Inhumane working conditions impairing the health of letter carriers have been caused by the order, the resolution said.

Sunshine In Packages For The Wash Day

There's something new in bleaches these days! Ever since grandmother hung her "white wash" in the sun to brighten and whiten, bleaching has been a part of wash day procedure. But along with mechanical washers and dryers, research has developed "packaged sunshine" or powdered bleaches which leave a clean, fresh smell to the clothing — much like grandmother's sun-dried wash.

Miss Madonna Fitzgerald, Missouri University home economist, says these bleaches are gentle but effective. They can be used on all washable fabrics, including prints. The background is whitened and fast colors are brightened.

Some of these packaged bleaches are made especially for the areas in which they are sold. For example, in hard water areas, special water softeners are added.

Chemists tell us it's the perborate that does the trick. When used regularly, perborate bleaches eliminate the need for strong bleaches made necessary after fabrics have been allowed to become dingy.

If you dislike having jugs or bottles to cope with, these lightweight packaged bleaches are the answer. And they eliminate the hazards of spotting when liquid bleaches are spilled accidentally. You'll find these packaged bleaches on your grocery shelves under a variety of brands. Some of the most common are: Dexcel, Glo-wash, Safety, Duo-White, and Sun.

Regardless of the brand you buy read and follow the directions on the container for satisfactory results.

Air Show Halted By Storm, Bolt Kills a Spectator

DETROIT (AP) — The ill-fated International Aviation Exposition closed its three-day run at nearby Wayne-Major Airport Monday in a torrential downpour.

Dogged by ill luck from the beginning, the program of Army, Navy and Air Force demonstrations came to an abrupt halt in a sudden storm with driving rain, hail and winds upwards of 50 miles an hour.

The crowd, estimated at 75,000 was drenched before it could find shelter. The field was turned into mud. And many of the planes in the stationary exhibit were buffeted and damaged.

Harry Withers, 32, a spectator at the show, was killed by lightning.

Before the storm struck, Steve Wittman, 48-year-old operator of the Winnebago County Airport near Oshkosh, Wis., flew to dramatic victory in the sixth Continental Motors Trophy Race for Midget Planes.

Tragedy hit quickly after the show's opening on Saturday. An F89 Scorpion jet burst apart during a climbing demonstration, killing the pilot and his radar observer.

Rural Youth Clubs Have 46 Members at State Camp in Park

Talent Find Program And 'Talk Meet' Held

What the Rural Youth Organization, better known as R.Y.O. Clubs, has to offer its members seemed to be the underlying theme of the 1952 State R.Y.O. Camp at Knob Noster State Park. The Camp beginning on the afternoon of August 27th and ending the afternoon of August 31st attracted 46 R.Y.O. members from 12 different counties.

Representing the Tri-Community R.Y.O. of Pettis County were Anna Lee Harvey, Dorothy Gray, Herman McMullin and guest.

Friday afternoon Johnson County R.Y.O. assumed the responsibilities of registration and recreation. The evening program began with an assembly with Dale Corder, the State R.Y.O. president, presiding. Following group singing and introductions, Ruth Crowley, State Club Agent from Columbia, related the many objectives of R.Y.O. Camp. One of the highlights of the evening program was a short talk on the International Farm Youth Exchange Program by Hans Thude. Hans is a delegate to Missouri from Denmark.

The evening closed with a fun-rolicking mixer with Lafayette County R.Y.O.'s in charge.

Group discussion and talks on the educational and recreational programs of the organization plus swimming and recreation made an interesting program for August 24th.

"Talk Meet" Is Held
Charlotte Hamfield, secretary of the State Organization, presided over the evening discussion of the "Talk Meet". The "Talk Meet" and its objectives were outlined by John Rogers, representative of the Missouri Farm Bureau Federation. "The Talk Meet", explained Rogers, "is designed to give R.Y.O. members opportunity to develop speaking ability." The topic of the Talk Meet in November is a timely one on "Who Shall Speak for Farmers", says Rogers.

SO EASY FOR MOTHERS TO GIVE

Chariton-Randolph-Saline Counties

Out Our Way . . .

No Criticisms Yet Of Soviet Congress

MOSCOW (AP)—Wide discussions of the proposed agenda for the congress of the Soviet Communist party next month were continuing today in factories and organizations throughout the country but thus far no criticisms have been reported.

The Communist party newspaper Pravda announced a week ago it would open its pages to both favorable and critical articles on the proposed five-year plan and changes in the party statutes which are up for approval at the congress opening Oct. 5.

To date, however, Pravda has not published any items taking a negative attitude toward the proposals.

As part of the ceremony leading to admission to the bar in Britain, all legal candidates must attend a specified number of dinners at the Inns of Court, the British law schools.

The decay of adult teeth is due to organisms which gain entrance to the tiny cavities which are always present where the enamel plates are joined.

Garden Clubs Cop Awards With Flowers

Garden Clubs from distant cities were represented in the classes for club competition in spite of the storm handicap. Clubs competing were: Columbia, Jefferson City, Hawthorne Club, Smithton, Green Ridge, Lake of the Ozark, Garden Club, the Sedalia Rose Society, and the ten circles of the Sedalia Garden Club Council. About 100 entries in 20 classes were shown.

Winners in the various classes were as follows:

Mantel Compositions

1. Sedalia Circle No. 7; 2. Columbia; 3. Smithton; 4. Green Ridge.

Table Setting for porch luncheon

1. Green Ridge; 2. Lake of the Ozark; 3. Hawthorne; 4. Sedalia Circle No. 1.

Composition in an analogous color harmony

1. Green Ridge; 2. Hawthorne; 3. Columbia.

Composition depicting the title of a song

1. Green Ridge; "The Old Rugged Cross"; 2. Columbia; "Silent Night"; 3. Lake of the Ozark; "A Pair of Old Shoes"; 4. Smithton; "My Mother's Bible."

Brotherhood At Windsor Has Repast

By Mrs. Leonard Phifer

WINDSOR — The Windsor Baptist Brotherhood held its regular monthly meeting in the church basement August 11th. After a covered dish supper, Jean Ray, the new president, presided. The duties of the new officers were discussed. The program consisted of a duet by Rev. Wm. J. Moore and Henry Smart, and a humorous skit by Henry Smart.

The Mildred Wright Circle of the Methodist Church met Friday afternoon at the home of Mrs. Albert Helphrey with Mrs. Clyde Hunt assistant hostess. Mrs. Ernest Martin presented the lesson on "Partners in Obedience" which was a discussion of the World Federation of Methodist Women. Mrs. Emory Craig and Lyleanna Johnson were visitors.

Mr. and Mrs. Frank Norcross returned recently from a short trip to Colorado Springs, Colo. They were also in Denver, Cheyenne,

Wyo., and Estes Park. They accompanied Mr. and Mrs. Roy Whalen of Holden.

The Sally Gray Circle met the same afternoon at the home of Miss Della Thompson. Mrs. Maude Hensley was leader of the lesson for this group.

Mrs. Mildred Olyer, daughter, Catherine, Las Cruces, N. M. left Friday for their home after spending two weeks with her parents, Mr. and Mrs. R. G. Smith and Richard Green.

Mrs. Cora Houk was a Sunday dinner guest of Mrs. Cora Van Hoozier. In the afternoon they drove to Ionia and visited friends.

Mr. and Mrs. Raymond Smart, Independence, visited relatives here several days last week.

Mr. and Mrs. Chester Carpenter, Alhambra, Calif., spent Monday night with his sister, Mrs. Frank Norcross and Mr. Norcross.

The Windsor Fair which was held Thursday and Friday were well attended. A number of people from out of town were here.

The Windsor Schools will open Tuesday, Sept. 2. Enrollment will be on Tuesday and Wednesday, August 26 and 27.

R. B. Carpenter in Warrensburg, Sunday.

Mr. and Mrs. J. W. Valentine, Fayette, were visiting friends here Sunday.

Mr. and Mrs. J. F. Whitworth, Bob Whitworth and sons, Grandview, were Sunday visitors of Mr. and Mrs. Glen Whitworth and Delores Jean.

Mr. and Mrs. Chester Carpenter, Alhambra, Calif., spent Monday night with his sister, Mrs. Frank Norcross and Mr. Norcross.

The Windsor Fair which was held Thursday and Friday were well attended. A number of people from out of town were here.

The Windsor Schools will open Tuesday, Sept. 2. Enrollment will be on Tuesday and Wednesday, August 26 and 27.

Halley's comet on its last visit was under observation by astronomers from September 1909, to July 1911.
